RAMCT:

Power point slides, study guides and grades will be posted on ramct.

EXAMS AND GRADES:

There will be 5 hourly exams and 6 quizzes during the semester. Each exam will consist of 50 questions (100 points) and each quiz will consist of 10-20 questions (20 points). Students with conflicts on exam or quiz dates may request to take a test at an earlier time. The student must meet with the instructor to discuss the nature of the conflict. The instructor will decide if the student will be allowed to take a test at an earlier time.

If a student misses an hourly exam or quiz due to illness, injury or some other personal reason, the student will receive a "0" for that test. The lowest of the first four exams and the lowest quiz grade will be dropped. **There are no makeup exams/quizzes and no extra credit!** Please keep in mind that illnesses, accidents, family emergencies, etc. do happen, so don't assume the "drop" policy allows you to "blow off" a test. The **fifth exam is mandatory** and will be taken during finals week. The fifth exam is not a cumulative exam.

ACADEMIC INTEGRITY AND CLASSROOM BEHAVIOR: Academic dishonesty will not be tolerated. Disruptive behavior including excessive talking and cell phone use will not be tolerated. Disruptive students will be asked to leave the classroom.
