Front Range Number Theory Day

University of Colorado
Saturday, October 8th, 2022

- Shahed Sharif (Cal State University San Marcos)
- Cigole Thomas (Colorado State University)
- Aaron Pollack (University of California San Diego)

Registered participants are invited to give a five minute lightning talk about their research.

For more information and to register, see our website:

sites.google.com/colorado.edu/front-range-number-theory-day

Organized by Eli Ovis (CU), Katherine E. Stange (CU), Jeff Achter (CSU), Amie Bray (CSU), and Jamie Juul (CSU)
Sponsored by the National Science Foundation.
