OUR GREEN INITIATIVES

CSU is one of the top universities for sustainability efforts. In 2017, CSU maintained its Sustainability Tracking, Assessment & Rating System’s Platinum level. CSU is the only institution in the world to receive this rating and has now done it twice.

Green Dining
- Dining Centers provide local or organic hand fruit and greens grown on campus in order to help the ongoing efforts to source more sustainable food
- In 2016, CSU diverted over 464,339 pounds of food waste from the landfill through our food waste diversion efforts:
  - 93 percent of pre- and post-consumer food waste is composted or made into energy through an anaerobic digestion process at the local waste water treatment plant
  - The Ram’s Horn, Braiden, and Durrell Dining Centers are equipped with pulpers that collect food and paper waste for composting – reducing the waste stream by up to 70 percent

Green Power
- Housing & Dining Services has made the commitment to purchase renewable energy for all public spaces including dining centers, lobbies, lounges, and administrative buildings
- Conference & Event Services uses a carbon-neutral electric vehicle, named BOLT, to assist conference guests in getting around campus
- Braiden, Edwards, and Parmelee Halls all have solar arrays helping demonstrate CSU’s ongoing commitment to renewable resources

Recycling on Campus
- 100 percent of all summer conference meal cards are recycled after use
- Recycling bins are provided in every residence hall room and use single-stream recycling
- Every residence hall recently transitioned to using paper recycling bags in bins as opposed to plastic, non-recyclable bags that are commonly used
- Visit recyclinggame.colostate.edu to learn more about what can and cannot be recycled at CSU

CAMPUS SAFETY

In the event of an emergency, dial 911. To report any dangerous or suspicious activity on campus, contact campus police at (970) 491-6425.

Thor Guard
- Campus is equipped with the Thor Guard Lightning Prediction System, a tool for enhancing safety. All outdoor activities must cease when the alarm sounds, and anyone outside must take shelter.

DO’S AND DON’TS

- **DO** check the front desk for messages
- **DO** leave your room in the condition that you found it
- **DO** take advantage of the free Wi-Fi
- **DO** park properly on campus (see map on reverse side)
- **DO** remember that you are a mile above sea level; wear sunscreen and drink plenty of water
- **DO** return your dishes to the dish return carousel at the dining center
- **DO** remember to drop your used meal card in the clear box in your lobby before leaving
- **DO** check out before or by 10 a.m. and return your key to the front desk
- **DO** check out our guest information table for great tips and materials about CSU and Fort Collins
- **DO** borrow a bike from Zagster by visiting bike.zagster.com/fortcollins/
- **DON’T** loft your bed ($100 fee)
- **DON’T** remove any screens from the windows ($40 fee)
- **DON’T** lose your key ($60 fee)
- **DON’T** forget campus quiet hours: 11 p.m. - 7 a.m.
- **DON’T** bring alcohol or marijuana on campus
- **DON’T** FORGET TO HAVE FUN!
