OUR GREEN INITIATIVES

Colorado State University is one of the top universities for sustainability efforts. At CSU, sustainability is foundational to who we are and is central to everything we provide for our guests. As a land-grant university, we’re compelled to steward, conserve, and protect the world around us.

Awards & Achievements

- In 2017, CSU maintained its STARS (Sustainability Tracking, Assessment & Rating System) Platinum level. CSU was the first institution in the world to receive this rating and has now done it twice.
- CSU is one of only five campuses in the world with Platinum-level certification from the League of American Bicyclists.
- CSU was awarded No. 1 Greenest College in 2017 from bestcolleges.com.
- Housing & Dining Services has made the commitment to purchase renewable energy for all public spaces including dining centers, lobbies, lounges, and administration buildings.

Get Green About It

- “Around the Horn” bus is a FREE bus service with stops across main campus every 30 minutes.
- The MAX Transfort bus route commutes from Old Town to Harmony Road and is available every 10 minutes.
- CSU Housing & Dining Services has six LEED (Leadership in Energy and Environmental Design) certified buildings.
- Use a reusable water bottle, which you can fill up at one of 100 water bottle filling stations around campus.

Recycling & Composting on Campus

- Housing & Dining Services has diverted over 305 tons of food waste from the landfill through a composting operation at the CSU Foothills Campus. Finished compost is used as a soil amendment on campus.
- 100% of all summer conference meal cards that are returned are recycled after use.
- Single-stream recycling bins are placed near trash cans throughout campus. Items that can/cannot be recycled are located on or around most bins, or quiz yourself at recyclinggame.colostate.edu

CAMPUS SAFETY

In the event of an emergency, dial 911. To report any dangerous or suspicious activity on campus, contact campus police at (970) 491-6425.

- Campus is equipped with the Thor Guard Lightning Prediction System, a tool for enhancing safety. All outdoor activities must cease when the alarm sounds, and anyone outside must take shelter.
- CSU has an on-campus medical center for primary and urgent care for guests. The CSU Health and Medical Center is located at 151 Lake St, Fort Collins, CO, and can be reached at (970) 491-7121.
