The College of Natural Sciences invites you to apply for the Leslie Cavarra Buttorff Scholarship in Statistics

Students meeting the following criteria are strongly encouraged to apply:

- Must be a full-time undergraduate student in the College of Natural Sciences in the Department of Mathematics (with declared statistics concentration) enrolled in a minimum of 15 University credits each semester;
- Must be a freshman or sophomore to apply (incoming freshmen must have maintained an overall 3.3 GPA during high school);
- Maintain an overall 3.3 GPA each semester although allows for a 3.0 GPA for first semester of University coursework;
- Demonstrate financial need (must fill out the FAFSA!);
- Submit an essay indicating why majoring in statistics and what role the degree in statistics will play in future career plans; and
- **Must** be a graduate of Wheat Ridge High School in Denver, Colorado or Cherry Creek High School in Denver, Colorado.

Students are required to complete the following application steps:

1. **Complete your CSUSA Login** to our college scholarship site (https://cns.natsci.colostate.edu/scholarships/students/)
2. **Select** the ‘Leslie Cavarra Buttorff Scholarship in Statistics’ box and click on ‘Update Information,’ and click the ‘Upload Document(s)’ link
3. **Mark** your ‘Type of Document’ as ‘Essay’ in the drop down menu
4. **Upload** your essay!
