

# FALL SESSION 2026 BIOLOGY COURSES\*

**BZ101** – Life Matters: Genes, the Body, &  
Beyond

**BZ110** – Principles of Animal Biology (*online*)

**BZ111** – Animal Biology Lab

**BZ120** – Principles of Plant Biology

**BZ192** – First Year Seminar

**BZ212** – Animal Biology: Invertebrates

**BZ220** – Introduction to Evolution  
(*in-person/online*)

**BZ223** – Plant Identification (*in-  
person/online*)

**BZ300** – Animal Behavior

**BZ310** – Cell Biology

**BZ320** – Biogeographic Approaches to  
Conservation

**BZ330** – Mammalogy

**BZ331** – Developmental Plant Anatomy

**BZ348/BZ548** – Theory: Population &  
Evolutionary Ecology

**BZ349** – Tropical Ecology & Evolution (NEW)

**BZ350** – Molecular & General Genetics  
(*in-person & online*)

**BZ360** – Bioinformatics & Genomics

**BZ425** – Conservation & Population  
Genomics

**BZ435B** – Study Abroad – Baja California  
Sur: Practices in Marine Biology & Ecology

**BZ440** – Plant Physiology (*online*)

**BZ455** – Human Heredity & Birth Defects

**BZ462** – Parasitology & Vector Biology

**BZ478** – Biology & Behavior of Cats  
(*online*)

**BZ492B** – Seminar: Ecology

**BZ492B.004** – Seminar: Ecology Education

**BZ492C** – Seminar: Genetics

**BZ492F.002** – Seminar: Evolution

**BZ565** – Next Generation Systems,  
Platforms & Libraries

**BZ570** – Molecular Aspects of Plant  
Development

**BZ572** – Phytoremediation

**LIFE102** – Attributes of Living Systems

**LIFE103** – Biology of Organisms

**LIFE320** – Ecology

[col.st/aJrnv](https://col.st/aJrnv)

**SCHEDULE AN APPOINTMENT**

*with your ASC if you have questions  
about how a course can fit into your  
degree program.*

[col.st/g2j8y](https://col.st/g2j8y)

*Learn more about  
CSU Courses at*

**OFFICE OF THE REGISTRAR**

**BIOLOGY**  
COLORADO STATE UNIVERSITY

**\*COURSES MAY CHANGE AND STUDENTS SHOULD REFER TO  
THE SCHEDULE ON RAMWEB TO VERIFY COURSE OFFERINGS.**
